- Ms. Yazmine 5/15 AJ 5/19
- Evren 5/25

Teacher Appreciation

Teacher Appreciation week is quickly approaching. We will be celebrating from May 15 - May 19, 2023. We are in full swing of planning the fun filled week for our AMAZING TEACHERS! Our theme this year is "Let the Games Begin!" We are hoping that families can volunteer and come together to provide our staff with breakfast and lunch as they did in the past. We will also be asking for some additional items needed to complete our theme such as small treats. Please look out for the sign up genius that will be coming your way. In addition to the treats we typically provide, we have always given our teachers a gift card. We have asked in the past for families to donate \$10.00 per family. Please bring in your donation by Friday, May 5th at the latest.

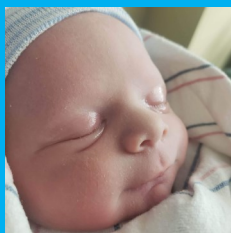

Bots Garden

Our garden was amazing last year! The children were able to be hands on and learn about the responsibilities of taking care of something and watching it grow! We will be sending out a sign up genius for volunteers to help!

Big News:

We want to send a huge **CONGRATULATIONS** to Ms. Chrissy and her husband, Patrick welcomed their baby boy, Benjamin on April 14, 2023 at 8 lbs and 19 1/2 inches. Ms. Chrissy and baby are both doing well!

Reminders:

Late Arrivals

Please remember: breakfast is cleaned up by 9:00 am. If your child is arriving after that time they will need to have breakfast before arriving at the center. If your child is coming in and still has breakfast to finish, you will need to stay with them until they are done and can be brought back to their classroom.

Infant Classroom Drop Off Cutoff Time

Please make sure your infant (**POPPY CLASSROOM**) arrives before **10 am**. If they have an appt. Please let us know prior to that appointment day. If they arrive after 10 am and we are unaware of an appt that has taken place, they will not be able to stay and can return on their next scheduled day.
