## Reminders:

### Late Arrivals

Please remember: breakfast is cleaned up by 9:00 am. If your child is arriving after that time they will need to have breakfast before arriving at the center. If your child is coming in and still has breakfast to finish, you will need to stay with them until they are done and can be brought back to their classroom.

## Procare Parent Engage App Messaging

While the app does have a messaging system for you to message the teachers, only the infant teachers are able to see the messages which in this case is only the Poppy classroom with Ms. Evelyn. We are finding that a number of families are messaging the teachers directly and they are not seeing the messages because this feature is disabled for them due to supervision not being able to be maintained.

Please email [bots2@verizon.net](mailto:bots2@verizon.net) for any and all lates, illness reports, important information for the teachers to know, absences, etc. We will pass the messages along to the teachers.
