## **Article:**

The link below is a great read, it explains what all childcare centers are struggling with today since the pandemic.

With Summer approaching very soon and families taking vacations we wanted to send a reminder of our vacation policy, which you can find on page 10 of our parent handbook.

Each family is allowed one (1) week vacation from the center with unpaid tuition after 1 full year at BOTS Too. You may use this 1 week time per contract year if the following criteria's are met.

- Vacations must be taken in one week increments Monday-Friday.
- Families do not have any tuition balance
- A Family Vacation Request Form must be filled out. (This form can be printed from our website).
