Soccer Shots Winter Sessions

(Not at BOTS)

2022/2023 winter season will be starting soon! We have a limited number of indoor programs available over the winter and you can find those options listed below.

We'll also be offering some on-site winter sessions at child-care centers and schools where we can use indoor space on a weekly basis. Some of those are already available online and we'll be adding some additional locations over the next few weeks.
