Staff Update:

Ms. Liz Update: Ms. Liz is **CANCER FREE!** She will be returning to us the week of November 14. We are so happy to have her back.

Ms. Toni will be leaving us to have surgery on her wrist. . She will return once she is fully recovered.

Ms. Brittney will rejoin us from her maternity leave and will be covering Ms. Toni’s classroom in her absence.

We have hired 3 new staff members that you will see around the building during their orientation process: Ms. Shalonda, Mr. Adam and Ms. Ashley. We are so excited to have them join our wonderful team of teachers.

Scholastic Book Fair Continues!

We sent out an email on Thursday about the Scholastic Book Fair continuing. To continue the book fair on a yearly basis, we need to raise \$1100.00. Right now we are at about \$350.00. Books are a great gift for different occasions. Please stop by to purchase books for your children, nieces and nephews, cousins, etc.

Thankful Family Engagement Activity

Attached are the instructions and cutout for our Thankful Banners. Once you have yours completed please turn into the front office and we will display them for the month of November! We can’t wait to see what all of your children are Thankful for!

Year at a Glance

We have noticed that there are some errors in the year at a glance and we will be revising it. After reviewing some of the changes that are being made, we came to the decision that we will be canceling the Hello Spring Fundraiser at this time. We feel that we are overwhelming you as parents with all of the fundraisers and want to maintain our focus on the fundraisers that do well in our school.

Pick Up/ Drop off Reminder:

Please remember to be as quick as possible for pick up & drop off. Keep conversations at a minimum because the teachers focus should always be on the children they are supervising in the classroom. If they turn their back for just a second a child could get hurt. If you have a concern whether it be academic or behavioral please follow our communication plan. This includes distracting teachers from other classrooms as well. This is a reminder for all parents.

November Birthdays:

Penny (11/8) Amelia (11/9)

Mason K. (11/13) Ms. Shariece (11/15)
