### Making Strides for Breast Cancer Walk!!

We want to send a huge Thank you to everyone that participated in the walk and donated towards this cause! Our staff, Ms. Andria and other members of our staff that are battling this journey were overwhelmed by the support! We raised a total of \$527.10.

### NAEYC ACCREDITATION

This past week we celebrated how our Amazingly Awesome Administration and staff achieved our NAEYC Accreditation for the 2nd year! Not only did we get reaccredited but we received a 95.85% pass rate that was a combination of all of the classroom and program observations and the classroom and program portfolios. I am so proud of the work that everyone has done, especially with my absence during the process. We are 1 of 2 privately owned, for profit (not corporate) programs out of 25 in the state of Delaware that have reached this

achievement! Attached is the article that was displayed in the DAEYC newsletter for all of Delaware to see!

### Halloween Trick or Treat Tips

### Pick Up/ Drop off Reminder:

Please remember to be as quick as possible for pick up & drop off. Keep conversations at a minimum because the teachers focus should always be on the children they are supervising in the classroom. If they turn their back for just a second a child could get hurt. If you have a concern whether it be academic or behavioral please follow our communication plan. This includes distracting teachers from other classrooms as well. This is a reminder for all parents.

### Medication:

Please make sure that there is no medication in your child's bag. We have found medication in a number of bags over the last week. This is very dangerous as most of the children love to explore their bags as well as others bags. If you child needs medication please give it to their teachers or Administration along with a medication form. If you have any questions about this please speak with someone in the office.

### November Birthdays:

Everett (11/2) Ms. Liz (11/3)  
 Avery (11/5) Penny (11/8)  
 Amelia (11/9) Mason K. (11/13)  
 Ms. Shariece (11/15)
